Sharelatex looks like this:

code

pdf

In Sharelatex, you can "Turn on link sharing".

Then you can share a project to your collaborators.

Share Project

Link sharing is on. [Turn off link sharing](#)

Anyone with this link can edit this project

<https://www.sharelatex.com/6944741148rgxctpjmftvf>

Anyone with this link can view this project

<https://www.sharelatex.com/read/rvfgcndpxktx>

Here is my poster project: <https://www.sharelatex.com/6944741148rgxctpjmftvf>
